WHO AM I?

I'm a Spanish / Argentinian 21 years old student, currently living in Argentina but I will be moving to Rotterdam the first week of June 2021. I am a proactive person with a lot of facility to learn and work in a team and with a lot of desire to learn and be able to acquire more knowledge

JOB SUMMARY

Viajes Alkimista

January 2019 - April 2021

I worked for 2 years in a travel agency, principally serving the public, selling packages and plane tickets, recommending hotels and touristic destinations to the client and making them a travel budget. I also improved the website page charging more packages and more hotels.

STUDIES

I'm an autodidact web developer student, with solid knowledge in:

- HTML
- CSS / SASS
- JavaScript
- React Js
